

# THE CARILLON

Hello First Baptist Church Family,

I pray you are all doing well and enjoying this move into fall weather. What a busy but blessed month September was! Thanks for my Birthday fellowship last Sunday! While we have a busy season upcoming, we look forward to the time spent with one another and growing in our time and fellowship as a church. In fact, that is what I want to write about this month. You may remember from last month I explained I would intentionally be walking through the newly adopted motto and vision statement of **First Baptist – Love. Grow. Commit. Go.** We previously discussed the **Grow** component of this vision as we looked at the various times offered for preaching, teaching, and Bible study. This month we will look at the **Commit** component of the vision.

A church is a family – in fact we like to think of First Baptist as **a place where friends become family through Christ.** We desire for everyone that attends First Baptist to feel welcomed and a part of our faith family. At First Baptist we want to commit our lives to serving the church and one another. You have heard me say from the pulpit that Christianity is not a “spectator sport” or something just for the “professionals”. Rather it is something we are all called to participate in as we commit our lives to one another and the church.

There are many practical ways (several already exist) we can do to encourage fellowship and foster this kind of environment. For example, a Sunday School class is a great way to get involved and get to know people better in a smaller setting. Furthermore, participating in any of the various outreach and servant ministries of First Baptist allows you to commit to those in the church and community as well as get to know others better. If you are not currently participating in an active ministry of the church or you feel you could participate more, please contact the church office and we will work to get you plugged in. Additionally, committing to pray for our church and the people who make up First Baptist is a great way to serve our church. I might suggest working through the directory, your Sunday School roll, the prayer list in the bulletin, or those who sit nearest to you in service. Ask them how you can pray for them and let them know you have been doing so already. Lastly, another helpful way we can commit to one another is through our fellowship times. Opening your home for a meal or going out to share dinner with another family from church is a great way to get to know someone better and learn how you can better serve their family and pray for them.

These are just a few practical ways in which you can commit and deepen your commitment to the faith family at First Baptist.

**Because He Lives!**

# WORSHIP

I am writing this article five days before my family and I head out on a week-long beach vacation. To be honest, we are ready for a little time away. This past year has been hard in many ways, good in many ways, and exhausting in almost every way. How we long to lay on the sandy beaches of Gulf Shores, listening to the sounds of the Gulf of Mexico and recharging for the things that lie ahead in the near future.

Over the past several weeks the youth have been studying through Mark during our Wednesday Evening gatherings. Mark notes in Chapter 1:35:

*“And rising very early in the morning, while it was still dark, he (Jesus) departed and went out to a desolate place, and there he prayed.”*

MARK 1:35

To give a little context, Mark had just concluded a narrative about Jesus casting out demons in the synagogue of Capernaum and then healing Simon's Mother-in-law along with many other people. Jesus was tired. He had been working hard. His fame was growing in the surrounding areas and he struggled to find time to get alone. To combat the stress and prepare for the things to come, Jesus found his way out in the early morning to pray.

We can't miss the importance of this verse. You see, Jesus, just like you and me, was completely subject to the stresses of this world. Being completely human his body was subject to fatigue, pain, and illness. Stress was just as much a problem for Jesus as it is for us. And so, Jesus had to prepare for the battles of life.

I am going to let you in on a little secret. I really like to handle things on my own. Some people might even say I am a bit of a control freak. When stress comes, my desire is to hide it as best I can and then bottle it up. It is exhausting. Over time the stress builds up and I become an unbearable person to be around. But what this really means is when the tough stuff comes my first reaction is to battle on my own. Yet this is not what Jesus is exampling to us.

Jesus is the only person to ever live who had the ability to conquer the stresses of life on his own. Yet he still relied on God the Father to give him strength. It is no accident that Mark included this verse in his account. It is proof of Jesus humanity and need for a time of rejuvenation each day with the Lord.

So, I ask you... As the stresses come, who do you worship? Do you worship self and try to conquer the world on your own? Or do you worship God and seek his strength to get through the things that bog you down?

In Christ Alone,  
*Bro. Carl*

# WELCOME TO FIRST BAPTIST!

After several months of worshipping at First Baptist, Helen and Carl Fletcher officially joined the church on September 23! The Fletchers moved their membership from Central Baptist Church in Kirbyville, Texas. Helen attends the Women's Bible Study and Carl attend the Men's Bible Study. They have also assisted with the dinner on Faith and Family Wednesday.

In addition to their service to First Baptist ministries, the Fletchers enjoy yardwork, gardening, and landscaping. When they are not in their yard working, Helen enjoys decorating and Carl is an avid fisherman and also a woodworking craftsman.

Helen retired after many years of service as a cafeteria manager with Oldham County Public Schools and Carl retired from the petroleum chemical industry where he worked for Union Carbide. Carl is also retired from the military where he served in Vietnam as a Helicopter Medic.

The Fletchers have six children and six grandchildren. They currently reside in Elk Chase located in Elk Creek. Helen shares, "We love Taylorsville because of the small town friendly atmosphere!"

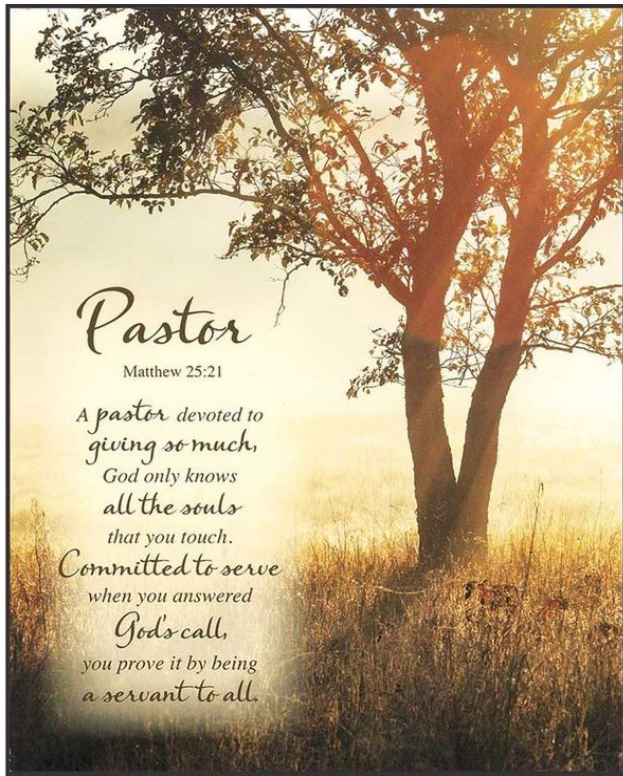

## Pastor Appreciation

October is designated as Pastor Appreciation Month. For 190 years First Baptist has been blessed with many Godly men who have preached the Word of God and led many opportunities for mission and service.

We are thankful for the leadership and guidance of our pastors. Dr. Paul Broyles and Bro. Carl Newman served diligently during the Interim during the past year. In July, Bro. Chance McConnell was called as Pastor.

Please pray for Bro. Chance, Bro. Carl, and Dr. Broyles and their families as they minister and serve.

## CHILDREN'S MINISTRY REGISTRATION

According to the Child Protection Policy of First Baptist, all students participating in any church program needs to have a Registration form completed each fall.

This form provides general and emergency contact information as well as allergy and medical care information.

If you are a parent or guardian of a student, please contact Bro. Carl for a form.

Your help is appreciated with this request.

On Wednesday, October 10<sup>th</sup> the youth will travel to Spencer County High School to participate in the annual Fellowship of Christian Athletes "Fields of Faith". The event will begin at 6:30 p.m. at the Football Field.

Fields of Faith is a student led event. Students will be sharing their testimonies and leading worship, while they encourage their peers to follow Jesus Christ and read the Bible. With a world filled with pressures and temptations, the only Truth can be found in Jesus Christ.

Special Guest Speakers include Dina Hackert and Blake Carlisle. Dina was runner-up to Kentucky's Miss Basketball in 1986 and let Hope College Women's Basketball to win the 1990 NCAA National Championship by sinking two free throws with no

time on the clock. She has a passion for people to experience God through the power of His word when applied to their lives.

Blake Carlisle played baseball at Christian Academy in Louisville. He is currently a junior at the University of Louisville. Blake has a passion to grow in the knowledge of God and to exalt

His name here and to the ends of the earth. "He is worth it."

All regular Wednesday evening activities will be canceled on this night to encourage as much participation with the Fellowship of Christian Athletes event.

Please pray for all youth in Spencer County as they face many challenges each day.

# MAIN STREET PROGRESSIVE DINNER

**Thank you to everyone who contributed and attended!**

The Main Street Progressive Dinner was held on Saturday, September 29th. First Baptist participated as part of the new ministry "First Baptist Loves Taylorsville".

Bro. Chance and members greeted guests and gave them a postcard listing the church services and a box of chocolate kisses. There was an area of fall decorations for everyone to have a photo. The Spencer County High School Band ensemble group performed in the Prayer Garden.

Guests also had the opportunity to share any prayer requests. The concerns were written on rocks to be placed in the Prayer Garden. During the Sunday morning worship service Bro. Chance led in a special prayer for the concerns shared.

Many thanks for everyone who contributed to make this a successful event!

Dear Church Family & Friends!

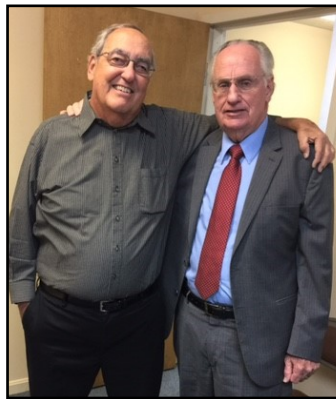

Carole, our daughter Kimberly, and I wish to express our appreciation for the gracious help we received from the men of First Baptist Church of Taylorsville in assisting us with moving. The turnout was great with some coming who were dealing with serious health issues but wanted to assist anyway. Even more would have helped if their schedule had permitted. We are so grateful for the loving and kind spirit of the men of our church. You will see that our church staff and many deacons and members were right in the middle of this gracious effort.

We cannot express how encouraging this effort has been to us and we will never forget this loving response from the church. The spirit of these men working together is unforgettable! What a church!

Finally, the move is complete. The home sold in less than twenty-four hours. God is good and these men were so good in their efforts to assist us.

# FAITH & FAMILY WEDNESDAY

## Emeril's Key Lime Pie

*This is David Nedros' favorite pie. He shares, "This is the best Key Lime Pie ever! It is wonderful, wonderful, wonderful!" According to David, this pie can be frozen and is delicious to eat slightly thawed.*

- 1 1/2 c. graham cracker crumbs
- 1/2 c. granulated sugar
- 4 T. (1/2 stick butter) melted
- 2 (14-ounce) cans sweetened condensed milk
- 1 c. key lime or regular lime juice
- 2 whole large eggs
- 1 c. sour cream
- 2 tablespoons powdered sugar
- 1 tablespoon lime zest

Preheat the oven to 375 degrees.

In a bowl, mix the graham cracker crumbs, sugar, and butter with your hands. Press the mixture firmly into a 9-inch pie pan, and bake until brown, about 20 minutes. Remove from the oven and allow to cool to room temperature before filling.

Lower the oven temperature to 325 degrees.

In a separate bowl, combine the condensed milk, lime juice, and eggs. Whisk until well blended and place the filling in the cooled pie shell. Bake in the oven for 15 minutes and allow to chill in the refrigerator for at least 2 hours.

Once chilled, combine the sour cream and powdered sugar and spread over the top of the pie using a spatula. Sprinkle the lime zest as a garnish on top of the sour cream and serve chilled.
